

MCRW Announces a New Site for their General Meeting.

Waco, TX, December 2019 – Starting with the Christmas gathering on December 3, the club announced that they will be moving from the Hilton Waco to the Baylor Club for meetings in 2020.

Newly elected president, Patty Castillo said, “Our club has doubled in size this past year causing us to research other venues. The Hilton has been our home for the past 10 years, and we have certainly enjoyed their hospitality, but the Baylor Club offers us space to grow, and a beautiful facility.”

The MCRW meets every month on the 2nd Tuesday starting with a buffet lunch at 11:30 AM, followed by a meeting from 12:00 PM until 1:00 PM. The club invites conservative speakers, authors and political representatives to speak at their monthly meetings.

Starting in January, MCRW will host monthly forums for Republican primary candidates.

About MCRW

Founded in 1955, the McLennan County Republican Women is a grassroots political organization which brings women together to impact the direction of our nation. MCRW advocates for conservative values, strengthens the Republican Party by supporting candidates and empowers women of all ages and ethnicities in the political process.
